Two Originals by Estevez Offer Slim or Swirling Skirts

Today, we declare an exciting fashion dividend—two silhouettes in one couture pattern, and both by that master shape-maker ESTEVEZ. Take the slim and narrow path to spring allure—or follow the rounded curves of his wide-and-wonderful skirt. If you can't make up your mind, make both dresses. A dramatic play of color contrasts in the Originals points up the striking seaming of the bodice. Choose pique, shantung, silk faille, or linen—and prepare to turn all heads your way wherever you go in your exclusive Estevez.

Printed Pattern M221 is available in Misses' sizes 10, 12, 14, 16 and 18. See your pattern for yardages.

Send One Dollar for Printed Pattern M221 to The Daily Colonist Pattern Department, 60 Front Street, West, Toronto, Ont. Please print plainly your name, address with zone, style number and size.
